

APPLICATION

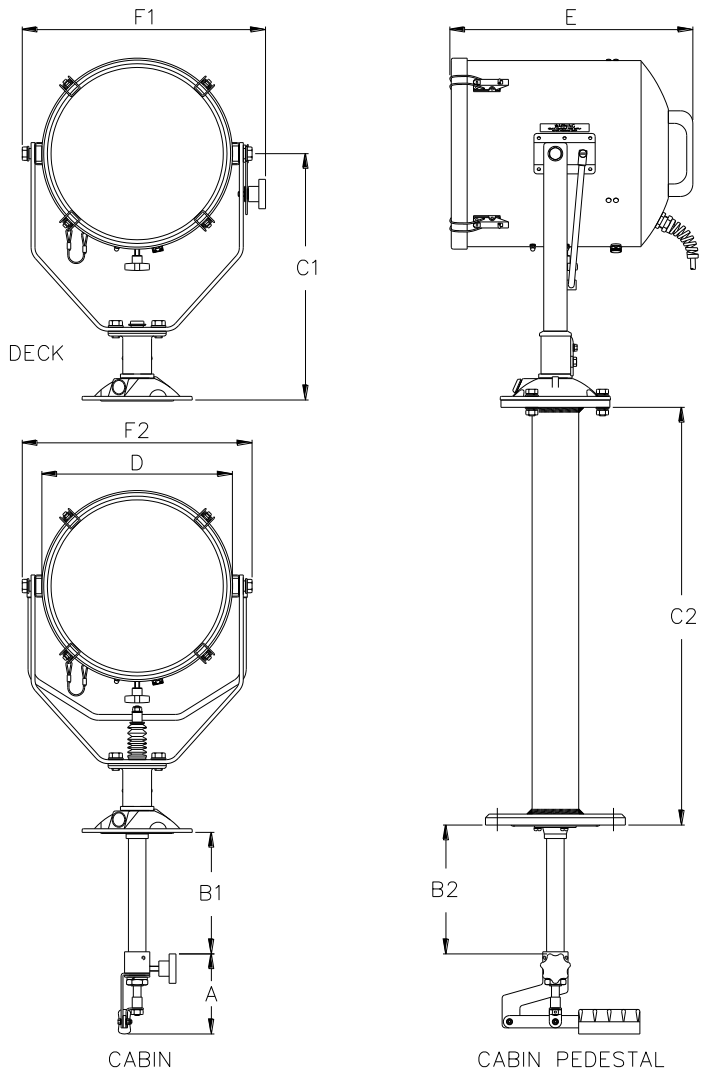

The new Francis LED searchlight range continues to develop and offers an Efficiently and Environmentally Friendly alternative to traditional lamp sources. Using the highest grade of CREE LED, this range offers a high power output with low power consumption. In addition, the CREE XLamp Series offer a lamp life of 33,000 hours.

As with all Francis products, the construction is robust and of the highest quality of construction. Utilizing excellent thermal management of the LED chip ensures successful performance and chip life.

The 110w LED gives illumination characteristics similar to that of a 1000w halogen lamp. This model offers a focus adjustment of the beam from 7° spot to 20° flood.
